## We Are Ordinary People Loving & Serving an Extraordinary God

### Our Vision:

*"To worship God, grow in Christlikeness, and fulfill our ministries, so we can lead people to Christ."*

### Teaching:

Pastor Dave Selness

We would never dare to think up some of the things Jesus tells us about the Father. Religions that are man-made and think up their own "acceptable" doctrines about God come up with some very interesting things. But when Jesus tells these parables, He makes very clear how God feels about people like you and me. This is truly amazing!

Previous sermons are available on the church website: [www.fbcpeshtigo.com](http://www.fbcpeshtigo.com)

### Communication:

Who knows how long we have? Our personal time could be over and unannounced in a heartbeat. Or... the Lord could come back and end history as we know it. Neither of those things really makes any difference if we know them or not. What makes the difference is if we are doing what we are supposed to be doing. Therefore, for us who worship at FBC right now, we must be turning from sin, being filled with His Spirit, serving with the gifts He's given us, and bringing other people to meet Jesus. While we have time! No matter what the political or economic situation is. Let's DO IT.

## ***New Members from the July 11, 2010 Business Meeting***

The prayer with one Christian person to make a long story short led me back to Faith Baptist Church one week after that prayer. I once was a member back in 1993 and have returned 1 week after Easter of this past year and have been attending since. That very Christian person unknown to me at the time of that prayer and to time I walked back into Faith Baptist was a member here.

Molly Johnson

Hello, my name is James Ward. When I was about seven, I was watching a program about Billy Graham. He was talking about salvation, and even as a child I understood his message. I went to my father, talking to him about what I had heard. Him and I prayed, and that day I accepted Jesus as my savior.

We acknowledge that we are sinners, and that our only hope is in Christ who died for each of us personally to reconcile us back to God. We are saved by unmerited grace of God through Christ. It was the most unfair trade in the world - our sin for Christ's righteousness! Now we live to know Him and be known by Him, and to serve Him. We surrender our lives and our family to Christ, that He would be glorified in all things and that He would find us faithful.

Thank you. Joseph and Noah were baptized at North Shore back in 2005 by Pastor Warren Worden (retired), and we were previous members there.
